

Walk  
Water 4  
Africa 2010

## Children of Uganda Drink Unsafe Water

On **March 20, 2010, at 9am-11am** at the Garfield/Ward river jetty (at the east end of the Village Nursery), there will be a “Walk 4 Water” fundraiser to bring clean fresh water to the people of Uganda.

**Our Goal:** to raise enough money to dig a well! **The cost:** about \$11,000. Did you know that just ONE well can provide water for 6,000 people, preventing several diseases that daily take their lives?!

It'll be a 6.42K (4 mile) walk along the Santa Ana River, starting at the end of Garfield Ave. Won't you consider joining us by signing up and recruiting others to walk with us or donate to this cause?

There will be a \$25 registration fee (includes T-Shirt), and we are asking each walker to try to raise a minimum of \$100 in sponsorships. And, there will be a \$100 Gift Certificate to the individual who gets the most sponsors, and a \$50 Gift Certificate for the runner up. There will also be raffle tickets for great prizes.

I and a few others will be going to Uganda this Summer to visit the well and meet the villagers who will be benefiting from it.

Many thanks,
